

Personal Health and Medical Record

BSA - CLASS 2

Youth Member	<input type="checkbox"/>
Adult Under 40	<input type="checkbox"/>
Adult 40+	<input type="checkbox"/>

This form is required once every 36 months for all participants under 40 years of age and annually for participants age 40 and older for the following activities: summer camps and other activities such as backpacking, tour camping or recreational sports lasting longer than 72 hours, where medical care is readily available. Not for high adventure use (use Class 3 form).

NOTE: If the participant has had a medical evaluation within the prior 36 months (12 months, if 40 or older) by a licensed health care practitioner, you may attach a copy in lieu of the medical evaluation on the reverse of this form. The evaluation must include the practitioner's signature and date. A recent examination within the past 6 months is required of any participant who is currently under medical care, requires a medically prescribed diet, has had an injury or illness during the past 6 months that limited activity for a week or more, has ever lost consciousness during physical activity, or has suffered a concussion from head injury.

To be filled out by parent, guardian, or adult participant. Please print in ink.
